Mr. & Mrs. Henry G. Hogendobler

**HENRY G. HOGENDOBLER,
TAILOR,**
RESPECTFULLY returns his thanks to his customers and friends for the very liberal patronage heretofore extended to him, and would now inform all that he continues the Tailoring business, at his old stand, in Market street, Manheim, where he will be happy to attend to all who may need his services—he is, also, in regular receipt of the *Latest Fashions*, from the eastern cities, which enables him to cut and fit garments in the most Fashionable style and in a manner that cannot fail to please all who may entrust him with a JOB. By prompt attention to business, and a desire to please, he hopes to merit and receive a continuance of their favors.
[Nov. 2, 1f-24]

This article is prompted by the acquisition of a business ledger that left Manheim in 1992 and returned to Manheim in 2019. The ledger was first sold in 1992 at the estate sale for Sylvia Rupp. At the sale, the ledger was purchased by dealer Roy Kulp of Bucks County and from Roy it went to a collector in Lititz. The ledger reappeared again at auction and this time it returned to Manheim. The ledger is for the tailoring business conducted by Henry G. Hogendobler along Market Square here in Manheim and covers the period of 1846 thru 1876.

Henry Hogendobler married Harriet Ensminger. Harriet being a member of the Ensminger Family made her a relative of Miles Keiffer, the husband of the founder of our organization, Elizabeth Keiffer. Since Miles was related to Henry Hogendobler's wife through the Ensmingers, we were doubly pleased to see the ledger return to Manheim.

Above is Mr. Hogendobler's ad from "The Manheim Wig Sentinel, Vol. X, No. 29, Dec 7, 1855".

In 1847, Henry charged customer Samuel Ensminger the following:

June 19 Samuel to making 1 pair pants \$.75

Sept. 11 to making 1 vest \$1.00

Dec. 24 to making 1 coat \$3.50

"Certain House and Lot Number 336"

Pictured is a document written in Manheim and dated 1792. The document is a purchase agreement between Samuel Ensminger and Michael Vogelsanger for lot #336 with a house and part of lot #337. The agreement was written by Samuel when he was 29 years old. Samuel, at the time, was both a surveyor and a scribe.

The first part of the document reads as follows:

Since HMPF has the original 1769 Manheim map, we see that the two lots were along South Prussian Street.
